MENU SETUP —

Setting up your new menu

Once the designer has sent you the necessary files to **setup the FancyMenu**, all you have to do now is **import it to the game** by following the instructions that were provided to you **in the folder**.

Setting up your new menu

Once the designer has sent you the necessary files to **setup the FancyMenu**, all you have to do now is **import it to the game** by following the instructions that were provided to you **in the folder**.

1 Download the folder

Download the **.zip** or **.rar folder** that was sent to you by the designer and **extract** its contents.

2 Follow the instructions

Open the **.txt instructions file** and follow all of the steps **carefully**.

3 Enjoy your new menu!

Once your menu is setup, feel free to share it with the other partners in the **BisectHosting Packing Discord** under **#menu-designs**!
